

magical malaga apartment

this magical second floor apartment is located in the historic centre of malaga, with high ceilings, original 19th century features and enchanting Moroccan room, recently refurbished and modernised to create a fun and relaxing environment. the interior is an eclectic design of traditional Spanish, Moort Mediterranean and modern influences, lending the apartment its charm and magic.

Calle Mariblanca is within walking distance of the main sights and attractions that malaga has to offer, located a few hundred meters from Plaza Merced, the birth place of Picasso, and surrounded by wide selection of shops, restaurants and bars. it is the perfect base to explore the "city of museums", whether the newly commissioned pompidou centre in the port of malaga, the picasso museum or the thyssen museum, to stroll around the alleyways and lanes filled with shops and tapas bars, to visit the roman amphitheatre beneath the walls of the moorish alcazaba fortress and ibralfaro castle, to sip cocktails in rooftop bars, or just just in the sun and soak in the hustle and bustle of city life.
