

casa por do sol

this spectacular rural hill-top villa,
set on a large property in faro near the algarve,
is private and secure
with uninterrupted panoramic views.
only 15 minutes drive from faro airport, it is the perfect
location to be a short distance away from the busy resorts,
but only minutes from the beaches, the historic market town
of Loulé for shopping and great restaurants.
with a large incredible pool,
the bedrooms all flow onto large sun-kissed patios.
there is a large garden and west facing balcony
perfect for the magnificent sunsets.
a spacious living area, dining and TV space,
a fully equipped kitchen, bar and outdoor cooking area
complete this sunny villa.
the best place to spend your time though,
would be on the seductive loungers at the pool.
