Situated on one of Langebaan's best beaches, Sandbaai, the house has its toes in the sand and you literally walk from the front door out onto the beach. The shallow and protected lagoon waters are great for kids with the nearby rock pools providing hours of entertainment. Simply furnished with a West Coast feel, the house is fully equipped with everything that you might need for a seaside holiday. Baby Blue cottage is ideal for a young family or couple and as an add-on to Indigo Blue. Kayaks and a SUP are provided to explore the blue waters of the Lagoon.
